# About PKF-CAP

At PKF-CAP, we are part of a global network of 213 member firms, operating under the PKF brand in over 150 countries across five regions. With more than 23,000 professionals worldwide, we are united by a shared commitment to delivering high-quality assurance and advisory services.

As an independent firm with over 200 professionals and led by more than 15 Partners and Directors, we pride ourselves on being client-centric and future-ready. We integrate the latest technologies, such as data analytics and AI, into our services, ensuring we deliver innovative and efficient solutions tailored to each client's unique needs.

We are also dedicated to continuous learning and growth, keeping our team up to date with the latest technical standards and technology to provide exceptional service in an ever-evolving business landscape.
