Our Services in Depth

Business Formation & Setup

Starting a new venture? We guide you every step of the way—from structure selection and registration to regulatory compliance and launch planning.

Corporate Secretarial & Administration

Avoid administrative and compliance burdens. Our team ensures your company remains in regulatory good standing, while you concentrate on strategic growth.

Accounting & Financial Reporting

Accurate, timely financial data is the foundation of smart decision-making. We deliver reliable reporting and insights so you can stay agile and informed.

Business Process Outsourcing (BPO)

Let us take over routine but critical processes — bookkeeping, transactional accounting, payroll — so your internal resources can be deployed for strategic initiatives.

Human Resources & Payroll Administration

Currency of talent is your competitive edge. We manage the payroll, benefits administration and HR process flow, so you stay compliant and your people stay engaged.

Managed Business Services

Whether downsizing or right-sizing, we help you maintain efficiency by taking over key finance functions with our trained professionals. Reduce HR overheads, tap into a broader pool of expertise, and benefit from continuous improvement through automation and AI.

SmartOps Advisory

Empower your business with digital transformation. We diagnose and streamline processes, automate workflows, identify opportunity to deploy AI and harness data analytics to drive smarter, highly efficient and future ready operations.

Executive Search

People matter. Our search services identify and secure the right talent for your needs — across roles, levels and industries.

Why It Matters

Your effort should go into growing your business — not fire-fighting administrative or compliance tasks. We understand the challenges of running a thriving business: the strategy, the change, the need to respond fast. Meanwhile, the routines cannot be ignored. That's where our Business Solutions team steps in.

A Proven Partner

Our firm is part of the global PKF network and built on a foundation of technical strength, client-centric service, and pragmatic solutions. When you work with PKF-CAP, you get all of that plus the agility of a partner that treats your business as if it were our own.

About PKF-CAP

Accountancy Firm of the Year 2025

PKF-CAP LLP has been awarded "Accountancy Firm of the Year" at the International Accounting Forum & Awards 2025, held in London.

Organised by The Accountant and International Accounting Bulletin, the International Accounting Forum & Awards celebrates excellence in accounting, audit, tax, and advisory services across the globe. The "Accountancy Firm of the Year" award recognises firms that have demonstrated consistent growth, innovation, quality service delivery, and a strong commitment to people development and client success.

This global recognition affirms PKF-CAP LLP's continuous efforts to raise the bar in professional services. It also reflects the dedication of our team, the support of our clients, and the strength of the PKF International network.
